About Government College

Government college is a constituent college of the Chaudhary Charan Singh university Meerut Uttar Pradesh. It was established in the year of 2022 with a vision to aid to the development of nation by providing quality education. the college have fourteen faculties harboring nearly 150 students registered in different undergraduate programs in arts, science, and commerce. the college is consistently moving forward with the vision to cater the needs of students from all the sections of society and contribute to all-round development of students.

This government college located in Rabupura town Gautam Budh Nagar district in the Indian state of Uttar Pradesh. Rabupura area today falls under the jurisdiction of Gautam Buddha Municipal Corporation and is allotted a priority in terms of funds for maintenance and upkeep. It is a residential area with low rise buildings and individual houses. It belongs to Meerut Division. It is located about 17 km from Noida, 9 km from Jewar Khader and 427 km from State capital Lucknow. The locality lies on the border of the Gautam Buddha Nagar District and Bulandshahr District. Nearest railway station is Chola and it is less than 10 km from Rabupura. The key infrastructural facilities easily accessible from Rabupura locality are Jewar Airport, Film City, and Priya Gold industry and many more things.

About the Webinar:

National webinar on "**Current Status in Higher Education in India: Perspective, Issues and Approaches**" will be organized by Research Cell, Government College Jewar (Rabupura) G.B. Nagar on 18th July, 2023 for the students. The webinar aims to encourage the faculties and students to exchange their knowledge and learn how education can help to develop a better and sustainable world. Moreover, with the help of this webinar, they will learn how to coordinate and express their scientific work. Therefore, this concept will be a great help to the researchers as well as society. This webinar will provide a big stage for knowledge sharing and improvement in the research area.
